

Yria is an oasis of blooming flowers, orchards, trees and water, creating the perfect contrast with the rocky and dry Cycladic scenery of Paros island. Being in the very heart of Parosporos bay, facing the west, there is nothing between you, the endless Aegean and the stunning view of the sun setting in it. The whitewashed houses, the small chapel and the stone strolling paths full of bougainvilleas give you the feeling of a real Cycladic village, perfectly combined with the luxury facilities and the pampering services of a lifestyle 5-star hotel.
